

FRAME

- Kiln dried solid plantation wood and structural composites are glued, screwed and corner blocked.

SUSPENSION

- The seat platform and back feature No-Sag Memory Springs for superior performance, comfort and support.

SEAT CUSHIONS

- Rows of individually pocketed steel hourglass springs provide comfort and longevity. These springs are encased between layers of high resilience foam and then wrapped in a luxurious fiber.

BACK CUSHIONS

- Siliconized fiber is contained by individually sewn channels which ensure even distribution and minimize the need for maintenance.
